

## MAKING A GREAT PLACE

# OPEN HOUSE

## Regional Active Transportation Plan

5 to 7 P.M. Thursday, May 23

Metro Regional Center, Council Chamber  
600 NE Grand Ave. Portland

What does a great regional walking and  
bicycling network look like?

Metro invites you to help finalize the vision for the regional strategy that will make it easier and safer to walk, ride a bicycle and access transit.

Attend the open house to learn more, and contribute, to the Regional Active Transportation Plan. The plan will define a preferred network of pedestrian corridors and bicycle parkways that link the region and will make it easy to get to work and school, run errands and have fun walking and bicycling.

The plan will amend Regional Transportation Plan, updating policies, targets and performance measures and establishing priorities for funding.

The high-level active transportation network is envisioned to be constructed incrementally with each segment connecting and resulting in a region-wide, interconnected system.
